Welcome to Our Chol Hamoed Guide!

We're so excited to share this resource with you and hope it helps you plan fun, meaningful outings and create beautiful family memories this Yom Tov. While we've worked hard to make the guide as comprehensive as possible, we also made sure to include only places we truly believe offer enjoyable, family-friendly experiences. If we've missed something along the way, we apologize in advance—and we genuinely welcome and appreciate your feedback to help us improve.

While we did our best to provide accurate details for each location, we recommend double-checking or contacting your chosen destination to confirm the most up-to-date information.

We've only included destinations within about an hour and a half drive from each area, for longer trips or overnight stays, check out our Local Destinations tabs for great family getaway ideas in each region. <https://www.kosherfamilytravel.com/local-destinations>
